OPPOSITION TO „CLAIM TO BE DISALLOWED & EXPUNGED“

I offer opposition against the disallowance and expungement of my claim (One Hundred Fifty-Second Omnibus Objections to Claims from Lehman Brothers Holdings Inc.).

Reasons:

I filed my claim correctly in 2009. On the formular I filled out, there was no hint, that a blocking reference number was to be requested by myself. I understood, that this would be done automatically, if my claim was accepted.

I never got a request from the court to ask for a blocking number.

In addition I disagree, that Lehman tries to escape their debts via formal reasons.
